

**Plumbing Finishes Disclaimer**

Rocky Mountain Hardware highly recommends selecting Bronze Light (BL), Bronze Brushed (BBB), White Light (WL), or White Brushed (WBB) finishes for all plumbing products. Other patinas are available; however, they are living finishes and will change with time, touch, and use. (i.e.: Harsh cleaning and beauty products, acidic fruits, etc. may strip patina finish.) Because each product will be exposed to a varying set of conditions, we do not warranty the finish of our products.

By signing below, I understand the above information regarding Rocky Mountain Hardware’s recommended patina choice and that a patina that is not recommended has been selected. Please feel free to contact us directly with any additional questions on this matter, 888.788.2013.
